Previous Month's minutes - Greg read the minutes.

Corrections to minutes - The idea for shortening the H&I term was not passed, the idea went back to the groups. RAW group's event is called "Women Carrying the NA Message of Recovery"

Old Business

Idea - Shorten the term of H&I Facilitator to 6 months instead of 1 year. The new term to start in March and rotation to coincide with the election times in the spring and fall with area elections. The idea failed.

Idea - Literature Distribution requested price increases in a previous DASC meeting. [REDACTED]

will work with Literature Distribution to come up with a proposal for the groups to take back.

[REDACTED] made an announcement for Lone Star Region Convention asking for volunteers. Pre

Registration for the event ends on February 15, 2015.

New Business

Idea - For money handler and auditor get together to come up with a list of best practices/duties to add to guidelines and as an appendix to guidelines. (Northside) [REDACTED] noted that the guidelines already have details about the expectations of the money handler.

Broken chains added a compromise for a spreadsheet to be created with a list of duties and due dates that can be provided to the Money Handler. Northside says this could be the appendix that is added to the guidelines. The idea passed.

Idea - Close off event dates on the area calendar after two events are already on the date, on a first come first served basis (McKinney). The idea is going back to the groups.

Break time - We had break at 2:45 pm. 15 minutes

24 OF 28 PRESENT after the break

[REDACTED] had an announcement - North Texas Area Discussion meeting at 10am Saturday, February 21 at RAW. This is the ad hoc committee discussing the development of a new area.

[REDACTED] and [REDACTED] made amends to the body for their behavior at the previous DASC.

[REDACTED] made the body aware that the April DASC date is the same weekend as Lone Star Region Convention. [REDACTED] noted that March has five Sundays. It was agreed that April DASC will be on March 29 at Irving. Irving GSR agreed this is OK.
