Money Handler – Tyrone read the report. We are above prudent reserve by \$1754. The audit for the literature checkbook is still in progress. The search for a new storage facility is still ongoing. ## **Sub-committee Reports**

Helpline - █████ read the report. The AT&T phonenumber has been fully transitioned to Grasshopper.

H&I – █████ read the report. There are several positions available in the committee. Please come get involved.

Cleansheet – █████ read the report which was sent via email by █████. Members asked about the meeting times included in the cleansheet are incorrect. There was a discussion to create communication between the Notestaker, Website, and Cleansheet to be sure all meeting changes are captured in the correct places. The suggested solution is for the Notestaker to scan the GSR reports with meeting changes and forward them to the Cleansheet and Website coordinator.

Outreach – [REDACTED] read the report. [REDACTED] from Outreach had questions concerning Carrying the Message group location. [REDACTED] from CTM group explained the circumstances of the group, which the groups meets in a Waffle House restaurant.

Literature Distribution – [REDACTED] read the report. [REDACTED] noted that soft cover books are available but groups aren't ordering them (Basic Text and Living Clean). The body asked that Literature Distribution ask the groups if they are willing to take soft cover books when they place their literature orders. There were several questions about the amounts of literature sold and purchased. If the reporting is a month behind that is OK but dollar figures need to be reported. Some members requested additional details regarding the specific literature and amounts collected for each type of literature. There was a suggestion that the expectations for the report be stated specifically. [REDACTED] is willing to work with Literature Distribution to create a list of details and present to the body for acceptance. [REDACTED] noted that H&I literature distribution has a form which could serve this purpose. There is also a Region literature form available.
